

SCRIP

What is it?

Scrip is a term that means "substitute money"

Shop
With
Scrip®

When St. Rose St. Mary's School families & parish members purchase Scrip, they're purchasing negotiable gift certificates that are used just like cash. The Scrip is issued by the national and local retailers where many of SSRM families already shop. These merchants want to support non profit organizations, and in return ask you to support them by shopping with Scrip at their stores. SSRM members can use Scrip to purchase everyday expenses like food, clothing, and other essentials, and with every purchase, they earn revenue for SSRM school, parishes, or faith formation.

Scrip generates revenue!

Because the Scrip is purchased with cash up front, the participating retailers offer a substantial discount. Our Scrip program buys the Scrip from Great Lakes Scrip Center and local vendors at a discount, and re-sells the certificates to you for full face value.

Scrip is "shopping cart fundraising!"

The reason for the effectiveness of Scrip is simple: families generate revenue through purchases they would make anyway. Groceries, clothing, toys, gifts, even gasoline can be purchased with Scrip. An organization of 150 families easily spends between one and two million dollars per year on food, clothing and other essentials. If these families use Scrip for these purchases, they can raise as much as \$40,000 to \$80,000 per year without spending an additional penny.

Retailers like Scrip too!

Families who purchase Scrip certificates actively support the retailers who participate in this program. The reason is simple... they know that buying from a Scrip participating retailer provides a steady source of revenue for their church, school, or non-profit organization.

Scrip Hints and Tips

1. A large purchase can quickly shave extra dollars off your tuition bill. Building a deck? Taking a vacation? Plan on paying for it with Scrip!
2. Use Scrip on necessities. Buy gas and groceries every month. Make a weekly habit of purchasing Scrip cards. Gas stations and grocery stores typically offer small percentages, but they do add up over time!
3. Scrip makes great gifts! Scrip is indistinguishable from regular gifts cards.
4. Encourage your extended family and friends to buy Scrip on your behalf. As long as they include your name/child's grade on the order form, their purchases can be used to reduce your tuition bill.
